THE LAW RELATING TO WORKS ON ROADS

A one-day professional development course from The Public Land Consultancy

Roads, Streets and Lanes are high on the agenda of every municipal council and land management agency in Victoria

Works on roads are amongst the most significant risk exposures they face.

This course is essential learning for asset engineers, governance officers and risk managers

Other one-day professional development courses from The Public Land Consultancy ...

- **ROADS GOVERNANCE**
- **ROADS OFFENCES AND ENFORCEMENT**

In this course we look at:
